## Going on Holiday

My name is \_\_\_\_\_

I live in \_\_\_\_\_

Soon I will be going on holiday with \_\_\_\_\_

(mum/dad/granny/grandad/my family etc.).

Before I go on holiday \_\_\_\_\_ will help me to pack a bag with clothes that I need when we are staying in a different place. I can pick something nice from home to bring with me.

(mum/dad/granny/grandad/my family etc.).

One of the places I will be going to on holiday is Lahinch in Co Clare.

I will travel to Lahinch by car with \_\_\_\_\_(mum/dad/granny/grandad/my family). One thing I can do is wear my seatbelt. This is important and will help to keep me safe.

There is a beach in Lahinch.

The hotel will be called the 'Lahinch Coast Hotel'.

Mum will get the key at reception I can stay with her or sit on the couch at reception.

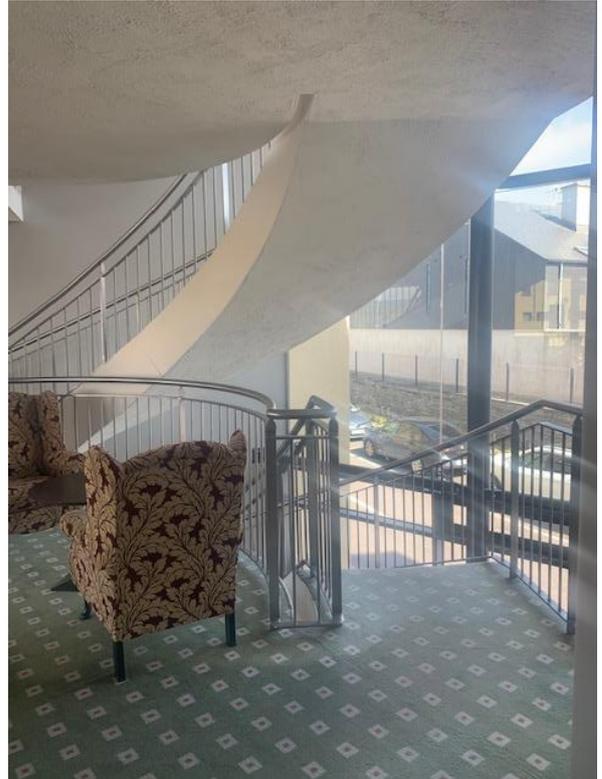

The people working at hotel will be wearing masks but they are all smiling underneath!

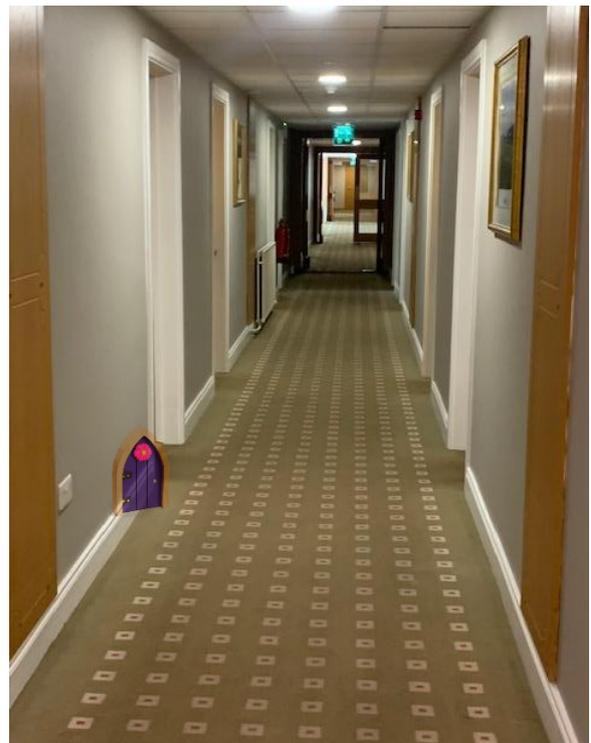

Like in the photos!

I will stay in one of the bedrooms with \_\_\_\_\_ (mum/dad/granny/grandad/my family etc.).

My bedroom might be upstairs. I will be able to go upstairs in the lift -or else I can walk up the stairs. If I go in the lift there is a noise but it's okay I will feel the lift moving this is okay.

When I am walking in the hotel some of the corridors are long – this is just because there are lots of bedrooms for everyone staying on holidays too. I might find a fairy door!

In our room there will be beds, wardrobes and a television in the bedroom.

I will try to sleep in the bed in my room when it is bedtime.

When it is time for meals, I might eat in the bar or restaurant. There will be other people at the hotel eating too. There might be some noise but we might eat a little earlier so its not too busy.

I can use the menu to pick what I would like to eat. \_\_\_\_\_

The people working in the restaurant are friendly and will bring me my food.

It might look a little different to the food at home but someone can explain how I like my food.

I will try to stay in my seat while I eat my food

This will help everyone to enjoy their meal. The people in the hotel will help me if I need anything.

There is a swimming pool at the Hotel

If we go swimming – we will change in our bedroom and go to the pool in our swimsuits.  
It might smell a bit strange this is from the chlorine. The sound in the swimming pool is a bit loud this is okay. There will be other children swimming too.

This is John he works in the pool

He looks after all the boys and girls swimming, he can be silly too

On the last day, I will pack my bag, check out of the hotel and go.

I might feel sad because I am leaving but \_\_\_\_\_ will help me to feel better  
(mum/dad/granny/grandad/my family etc.).

When I get home, I might like to tell my friends and family about my holiday  
or I might draw a picture of my holiday or just think about it.
